Females																									
Economically Disadvantaged																									
Students-Free/Reduced Lunch																									
Students with Disabilities																									
Emerging Bilingual/English Learners																									
Unhoused/Homeless Youth																									
Foster Youth																									

8. Using the achievement data that is available at your school, complete the following summary of **student achievement growth over time**. In each box, record the percent of students for each middle grade in your school meeting and exceeding state standards. In addition, if available, please attach the reports provided by your district or the state report card.
