

# SOCIETYCRAFT

## MINECRAFT CIVILIZATION CLUB

for Grades 3-8

### OVERVIEW

Join us for 8 awesome sessions where students will work together to create a functioning Minecraft society in order to develop their computer literacy, problem solving, and teamwork skills.

Students will learn:

- How to evolve their leadership and critical thinking skills
- How societies emerge and different types of governance
- How to stay safe and healthy in a world of screens

### STUDENT BENEFITS

- Game-and-Learn philosophy: Uses gaming as a tool for engagement and deep learning
- Balanced schedule with critical-thinking workshops and strategic gameplay
- Emphasis on social-emotional learning to shape healthy students and gamers
- Time to integrate concepts with optional home activities for further learning

### SCHEDULE

- 8 week schedule
- 1 hour per session, 1 session per week
- Our all-in-one virtual clubs provide the curriculum, platform, student log-ins and, of course HIGH ENERGY INSTRUCTORS!

## Kids love our camps!

Laugh and make new friends... or laugh and play with current friends.  
Learn how to mine, craft, build, and prosper!
